

Horses must have been vaccinated to comply with the requirements of the primary course (1st vaccination and then 2nd vaccination between 21 –92 days later), followed by the first booster (150 – 215 days) and all subsequent boosters. Horses may compete having received the primary course and prior to the first booster but not within 7 days of receiving a vaccine dose.

Horses must have been vaccinated within 12 months before the show but not less than 7 days of arriving at the show.

Foals

In-foal mares that have already had vaccinations of primary Equine Influenza course should be vaccinated 4-6 weeks before the foal is due to be born.

Foals should be vaccinated for Equine Influenza at 6 months to commence their primary course.

Please consult your own veterinary practice for further information.

We urge all owners to adhere to strict biosecurity protocols at all times.
